

Clowns Catalog

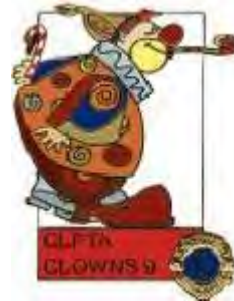

**Compiled By
Lana and Tim McCaulley
Mary Ellen and Steve Sherer**

Updated 10/15/2020: Added pin number 1, 2, 3 and 4 to the 2005 California PTC set on page 3.

This is an update to the original catalog compiled by PDG Jerry Romig. While we have updated and added many images, we do not maintain that we have encompassed all clown pins that have been issued. If you have pins that are not pictured, please get them to one of us so we can scan and insert the images in the catalog.

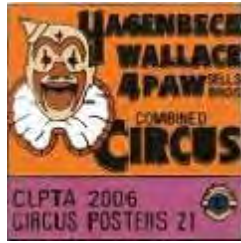

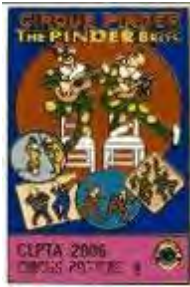

Not all pin images are to scale.
