

SECOND UPDATE

February 2000

**Pictorial Catalog
of
Lions Trading Pins
Commemorating
the**

American Civil War

The pins shown on the attached sheets represent the additions that we have received since the issue of the original Catalog and the First Update.

We continue to need your assistance in maintaining the currency of this Catalog. If you are aware of the issue of pins that are not pictured herein, we would greatly appreciate your calling that to our attention in order that we might take whatever action is necessary to obtain the pin. To maintain the quality of the Catalog, we are not accepting color pictures.

We have found that there is no substitute for taking a direct image reproduction of the actual pin.

The Third Update will be issued as soon as there are sufficient numbers of pins to justify the printing and distribution costs. In this connection, as soon as we have a minimum of three additional pages, we will initiate the Update.
