Third Update

**Pictorial Catalog
of
Lions Trading Pins
Commemorating
the**

American Civil War

The pins shown on the attached pages represent the additions received since the issue of the Second Update.

As usual, we need your assistance in maintaining the currency of the Catalog. If you are aware of recent issues of Civil War pins that are not shown herein, we would appreciate your calling that to our attention in order that we might take whatever action is necessary to obtain the pin(s). As we have stated in the past, to maintain the quality of the Catalog, we will not accept color pictures. We have found that there is no substitute for taking a direct image copy of the pin.

Update #4 will be issued as soon as there are sufficient numbers of pins to justify the printing and distribution costs. In this connection, we are most appreciative of the financial assistance that we have and continue to receive from the Pin Traders Club of Virginia. Through the generosity of the PTCV, we are able to provide the Updates at approximately 50% of the actual costs.
