**Fifth Update**

**Pictorial Catalog**  
**of**  
**Lions Trading Pins**  
**Commemorating**  
**the**

**American Civil War**

The pins shown on the attached pages represent the additions received since the issue of the Fourth Update.

As usual, we need your assistance in maintaining the currency of the Catalog. If you are aware of recent issues of Civil War pins that are not shown herein, we would appreciate your calling that to our attention in order that we might take whatever action is necessary to obtain the pin(s). We are aware that there are a number of Civil War pins that are presently in production by the pin makers, and these will (hopefully) be included in the next update. As we have stated in the past, to maintain the quality of the Catalog, we will not accept color pictures. We have found that there is no substitute for taking a direct image copy of the pin.

Update #6 will be issued as soon as there are sufficient numbers of pin to justify the printing and distribution costs. In this connection, we are again most appreciative of the financial assistance that we continue to receive from the PIN TRADERS CLUB OF VIRGINIA (PTCV). Through the generosity of the PTCV, we are able to provide the Updates at approximately 50% of the actual costs.
