Special Alert: The orange wheelbarrow to the left is one in a set of four. The pins are identical except for the color. In keeping with the Guidelines governing this series, we are showing this one pin and listing the other three FYI. Steve Sherer has a blue wheelbarrow, Larry Shaul has a green one, and Bill Smith has a red one. All four of these pins are in **very limited quantities** since they are a salute to their fellow LITPC Board Member, Jim Minnich of Delaware. The LITPC Board Members voted to have a wheelbarrow for their annual set. To say that Jim was a strong supporter of this decision would be stretching one's imagination.

NOTE: The Christmas card above is one of three with the other two being shown on the next page. You will notice that on this one, Santa is in a GREEN suit riding in a red sleigh. He is in his traditional RED suit in different color sleighs on the cards shown on the next page. This is an annual fund raising effort sponsored by the three Lions involved. A donation of \$10.00 is being requested for each card. All proceeds will be donated to a Lionistic charitable organization for use during the Holidays. In addition to the Santa pin, there are two other pins included on the cards. The message inside each card is shown below. If you were not at the Virginia Swap and would like to participate, you may contact the Lions involved.
