

## *Gone but not forgotten*

### *In Memoriam*

*The snapshots on these pages of those who have passed on are merely the “tip of the iceberg” of the folks who were such a vital part of our hobby. We would welcome any snapshots that you may have of our loved ones who are no longer with us. We will scan them into this section and then return the snapshots to you. We feel, for the most part, that snapshots are better than the more formal pictures. We solicit your help in keeping the memory of our loved ones in front of us in this publication devoted exclusively to pin traders.*
