November-December 2014

MEMO TO HOLIDAY SERIES PARTICIPANTS WHO HAVE **NOT RESPONDED TO THE SURVEY REGARDING THE CONTINUANCE OF THE SERIES (Please Read & Respond)**

SUBJECT: To Continue or Not

Hopefully you recall that in the October Update, I included a short survey to find out whether you wish to continue the Holiday Series for another year with an ending date of June 2016. About 50% of current participants have responded and I would hope that the remainder of you have merely overlooked the request to respond. Without going into all the details again, I urge you to take a few minutes and let me hear from you regarding the following questions:

- 1. Do you want to continue the Holiday Series for at least one more year with the ending day of 30 June 2016? If you answer “Yes” that’s all you have to do is let me know.**
- 2. Do you want to end the Holiday Series as previously announced in conjunction with the LCI convention in Hawaii?**
- 3. If you want to discontinue the Holiday Series and would like for us to consider a new one, what would be your choices? Please list your top three in the order of your interest.**

If I have not heard from you within the next 15 days, I will assume that you agree with the overwhelming majority of those who have responded and who wish to continue the Holiday Series until June 2016.

NOTE: This is a six pin set which normally would have six separate numbers assigned. However, all of the pins are locked together with a beautiful gold chain so we have used only one number. The set is affixed to a cardboard backing (5 1/2" h x 13 3/4" w) with the lettering in red as shown above. Congratulations to the Missouri Pin Traders for a truly collectors delight.
