The Pomo Indians

Pomo Indian Farmer

Pomo Basket Maker

Pomo Maiden Farmer

2003

Al and Kaye Stack (CA)

The Pomo Indians settled in what now is California and were mostly farming people. In addition to their farming skills, the Pomo's were extremely proud of their expertise in weaving baskets. Al and Kaye Stack have issued a male and a female Pomo Farmer and a Pomo basketweaver. The three basket pins are outstanding examples of the beauty of these products.
