

IOWA - MD 9

IOWA is in the Midwestern region of the United States with a population of 3.1 million residents. Iowa has an agriculture-based economy with corn reigning supreme. Some refer to it as the “Food Capital of the World.” In recent years there has been an explosion of livestock animals. The capital of the state is Des Moines, where the first Lions Club was established in 1920 (**Des Moines Host**). The farming industry is one of the attractions that keeps many families together in this part of the Union.

This "puzzle pin" was issued in 2000 by the Iowa Pin Traders but was NOT identified as such. Thus, we are showing it here since it merely shows "IOWA 2000". Hopefully, this will clear up any confusion.
