

The James Dean Lions Pin Collection

By

Lion Jake Roth, Fairmont, Indiana Lions Club

In the Fall of 1989, the Fairmont Lions Club formed a Committee to design their first "James Dean Lions Pin". The *James Dean Run* is held in Fairmont on the last full week end in September every year in memory of the legendary movie star, James Dean, who grew up on a farm just north of Fairmont. He graduated from Fairmont High School in 1949.

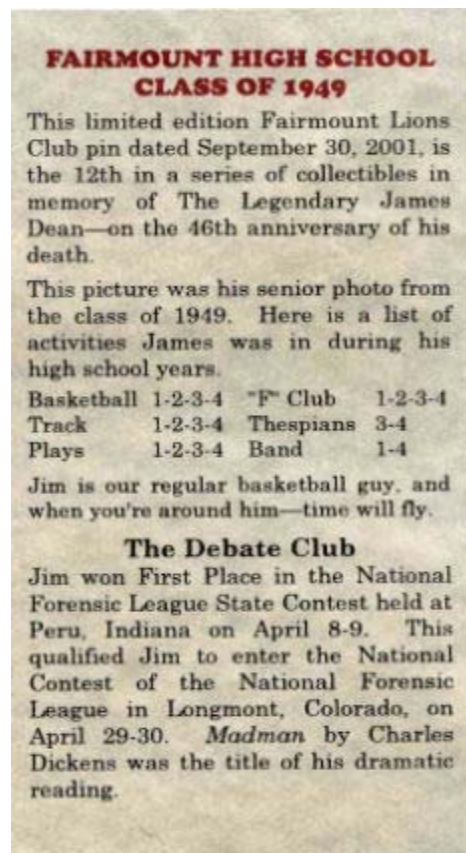

The Committee decided that it would only have 500 pins made to sell during the big weekend, with the idea that they would make and sell an additional 500 through the mail. However, those additional 500 pins were not made, and it was not until 1992 and 1994 that there were actually 1,000 pins made. Since 1994, we have made 1,000 pins each year. In addition, we make serially numbered collector cards describing the pin, and each person who purchases a pin receives one of these descriptive cards. A picture of the pin that is being featured for that year is shown on the front of the card. Beginning in 1995, an explanation of the series, as well as a short story about James Dean is provided on the reverse of the card. Since 1990, our customers have been given the opportunity to reserve "their number", and we consider that feature to be a significant factor in the tremendous success we have enjoyed with this series since it was initiated. The pins are made with permission of James Dean, Inc., GMG Worldwide, Indianapolis, IN.

It should be noted that the sole beneficiary of the James Dean Lions Pin Collection is the special scholarship that is given each year to a graduating senior from Fairmont High School. Although all the other members of the original James Dean Pin Committee are no longer with the Club, I have maintained my continuous membership with the Club and have designed the pins, together with a cousin of James Dean.
