Japan Lions Multiple District History

Japan joined the International Association of Lions Clubs in 1953 with the Tokyo Lions Club as its oldest. In 1953 District 302 was established and existed until the 1975-1976 year. In 1977, District 302 was reorganized into eight new Multiple Districts (330 thru 337). After reorganizing, the new Districts retained the Japan-wide tradition of pin/s. However, these Districts occasionally issued separated pins of their own.
