Annual Convention
NONE HELD

Note: The Board of Directors of Lions International, in session at San Francisco, California, on June 5, 1945, passed a resolution directing the International President to call an annual convention of the Association for September 10, 1945 at St. Louis, Missouri. The call was issued as directed, but due to restrictions on transportation imposed by the Office of Defense Transportation and other circumstances beyond the Association's control, the Board found it necessary to postpone the 1945 International convention so as to have it called and held in conjunction with the 1946 convention, and the President declared it postponed. The Board of Directors did meet on September 10, 1945, however, and received resignations from those whose terms were expiring and proceeded to fill the vacancies thus created.
