Winter 2010

President Lion Bill Sour

As I write this during the holidays, I certainly hope that all of you are enjoying this wonderful time of year with your family and friends.

My oh my what became of 2009? Well let me recap a little in regards to pin trading.

Successful swaps were enjoyed by many traders in all parts of the US. Let's not forget swaps in Canada and Australia. The great thing about a new year is we get to start the swap circuit all over.

The wonderful Lions who are the LITPC certainly gained the attention of Lions everywhere by bringing the Campaign Sight First project to a record breaking conclusion. \$143,000 is quite an eye opener.

Those same wonderful Lions have brought 157 new members into the LITPC since July 1. We are above the half way mark in the Campaign Membership goal of 300 new members.

We secured some invaluable publicity for the LITPC and all pin traders with our presence at the USA Canada Forum. We'll keep you updated on the LITPC's plans and the new pin trading opportunity at the 2010 Forum in Milwaukee.

The LITPC web site continues to improve and expand, becoming a valuable resource for our members.

However, our work is not over. In 2010 we need to further enhance our LITPC motto of Lions First. We must continue to keep our district, multiple district, and Lions International leaders aware of who we are and what we can accomplish. We must continue to find new members for our organization and find innovative ways to retain their interest in the LITPC.

And just as important, we need to continue the fun and fellowship.

May 2010, be both healthy and prosperous for you and your loved ones. I look forward to seeing you at a swap soon.
