LITPC Youth Scholarship Program

William A. Smith Fellowship Recognition

Lion William A. Smith, PCC, is among the earliest members of the Lions International Trading Pin Club (LITPC) and its 7th President. Over the

years, with his counsel, foresight and leadership, the LITPC has improved its image with Lions Clubs International and with Lions throughout the world. Because of his many contributions to the Lions International Trading Pin Club, the Board of Directors named the Youth Scholarship Fellowship after him. We thank Lion Bill for his many contributions to our organization.

Testimonials

As a Lion and a Pin Trader, there is no better way to help out the youth of today --tomorrow's leaders -- than by donating to the LITPC Scholarship Fund. By combining our donations with other Pin Traders, it not just serves those in need, but also ensures the future. "We Serve"

Lion Robert Libin
LITPC President - ID
Keene, NH

I am particularly proud of our LITPC Youth Scholarship Program that shows our commitment to our Association's initiatives toward youth and offers an outstanding scholarship to a child or grandchild of a Lion or Lioness or to a Leo to help further his or her education. As Lions pin traders we should take pride in this initiative and let the world know that members of the LITPC are "Lions First"...

Lion Paul Viano
LITPC Past President
Walpole, MA

The LITPC Youth Scholarship Program is just one more wonderful example of the generosity that can be found in the pin trading community throughout the world of Lionism. Our youth is certainly our future and being able to contribute, in a small way like this, is the least we can do if we are to reap the benefits of a smarter and enriched world. I'm so very proud to be a Lion and to have the opportunity to be involved in programs like the LITPC Youth Scholarship Program.

William A. Smith, PCC
Warrenton, VA

As a lion from Down Under and annual visitor to U.S.A. I contribute to LITPC Programs as much as I can. Youth are our future is certainly true and my contribution to our LITPC

Scholarship program, I hope will assist this investment in the lives of our future leaders. Our scholarship program is investing in the future of our globe and helping a future leader to make a difference is a core ingredient of all Lions International youth programs, and our LITPC initiative is amongst the best we have. I am proud to be a Lion, proud to be a leader and proud to be a small contributor in assisting the future endeavours of young persons throughout our world. I wish the scholarship every success.

PDG Lance Leak
Port Pirie, South Australia

I decided I would work hard for the LITPC Scholarship donation as I know students work hard for good grades and scholarships. I had been selling pins in the 50 cent box for several pin swaps. Little did I know that all those 50cent pins would add up so quickly. So this scholarship opportunity was a good place to put the money. College is so important to further the knowledge a student needs to pursue their dreams for the future. And that future is in our beautiful young people. As some people say, "Nobody can take that diploma away once you have earned it." I respect a student who works hard and our scholarship is a good way to reward that student. I am honored to be part of the LITPC Scholarship Program.

PDG Susan Evans
Henrico, VA

I am an annual contributor to the LITPC scholarship fund because it is an investment in the education of the scholarship recipients, which is a good investment in our future Lion leaders. I value my education, my daughter's education and

the education of the scholarship recipients, who are in need of funds to obtain one of the most valuable assets they will acquire in life, their education, that will help them provide for themselves and others throughout their life. I am glad to share the proceeds from the sale of my pins with those promising students who have earned the scholarship through their hard work and studies.

Lion Andy Hoedl
Lenexa, KS

The LITPC Youth Scholarship is still yet another way for us Lions as pin traders to serve. Helping individuals the opportunity to pursue their dream of obtaining a college degree makes me proud be a Lion pin trader. I will continue to be a strong contributor and supporter of this great program.

Lion Stephen Staudinger
Vancouver, WA

I find the scholarship program an outstanding opportunity for Lions to make a profound difference in young people's lives. The recognition that they each receive at the state level is an honest reward for the hard work each of them has been doing. I hope all Lions find some way to be part of the program.

PCC Jim Schiebel
Hilton, NY

Attending college is one of the major lifetime expenses for a student and their family. The LITPC Youth Scholarship is a helping hand for a student to pursue a useful career path and contribute to society. There is no better feeling than knowing you are a part of something special.

Wilmington, DE

The Contributing Member Pin is utilized for a second scholarship and can be obtained for a contribution of \$25.00 for each year. It can be counted toward a William A Smith Fellowship.

An additional \$1000 is needed in order to provide a second scholarship at the LITPC alternate site for the Milan International Convention. For this purpose, a new 2020 Contributing Member dangle is available. It's to be added to the 2015, 2016, 2017, 2018 and 2019 original dangles.

Original contributing members who have ordered previous dangles are encouraged to order the 2020 dangle. Here is an opportunity for LITPC members who have not gotten around to participating in the LITPC Scholarship Program. To date, we have provided two scholarships for the past two years. We have funds for two scholarships at the international convention in Las Vegas. Consider helping!

To order the 2020 dangle, check the box on the application on the back cover.
