

34th Annual USA/Canada Lions Leadership Forum

September 23-25, 2010
Milwaukee, Wisconsin

A Beacon of Hope Through Leadership & Service

Dear fellow pin traders,

Please join your fellow Lions from North America at the 2010 USA/Canada Lions Leadership Forum in Milwaukee, Wisconsin, United States. This will be an outstanding event full of vital information, great entertainment, speakers and pin trading during the entire forum. That's right! Pin trading during the whole forum! That's Wednesday, Thursday, Friday and Saturday during the forum.

I can't say it enough... PIN TRADING DURING THE ENTIRE FORUM!!!

I'm truly excited about the USA/Canada Lions Leadership Forum being in Milwaukee this year. Not because I lobbied extremely hard to get pin trading expanded for the entire forum. Not because we have an ideal location for over 80 pin trading tables and the possibility of room for more. Not because we'll have the best ever location, being located within the traffic flow of the display area and the LCI forum store. It is because of the effort of all of us pin traders who have stepped up to lead by example with last year's \$143,000 donation to SFII. My feeling is if we can do an incredible service such as that, we can use the opportunity of the forum to take in leadership programs and pin trade at the same time. Remember... we're all Lions first, pin traders second.

This is truly a wonderful opportunity for every Lion Pin Trader to enjoy the fellowship and return to their community club re-energized as a Lion. Not to mention again, how much fun the pin trading will be.

I know for many of you experienced pin traders, the USA/Canada Forum has been an important event to attend when the International Convention is not in the United States. It is much more affordable to attend a large scale Lions event in the states, get in some pin trading and take in all a leadership forum has to offer. Upping that a notch... our LITPC President, Lion Bill Sour will be doing one of the leadership seminars on our pin trading history. A must attend for all pin traders!

For our newer 170-plus members this year, I also encourage you to seek-out this outstanding Lions event. Forums bring together Lions to share ideas, discuss relevant topics and learn new methods by attending workshops and seminars. Also the pin trading will be one of the best ever at a forum. From the viewpoint of a pin trader, I also enjoy renewing long-distance friendships as well as making new ones at the forum.

Quoting our Honorary Chairperson, LCI 1st Vice President, Sid L. Scruggs, "It will be three days of fun and learning that you will never forget and that will forever change you as a Lion."

With the 2010 USA/Canada Leadership Forum being in my home area, you'll experience Milwaukee's wonderful, fun and lively features that are perfect for the forum. The headquarters hotel is the Hilton, and all the other hotels listed on the registration forms are located within a 3 block walk of the modern Midwest Airlines Convention Center; most of which are connected by skywalk to the Midwest Center as the hub.

Please check out the USA/Canada Lions Leadership Forum web page at: www.usacanadalionsforum.org. There you will find the registration forms, hotel information, seminar and workshop information, timelines and pin trading information. Look for the 'Host Committee' link to see information about what Milwaukee has to offer. If its tours you like to take during the down time of the forum, then Milwaukee has some of the best. From the art museum, Miller Park – Home of the Brewers MLB baseball team, the brewery's and the history and heritage of Milwaukee, you'll surely find the experience of Milwaukee to be fun and memorable.

As the Pin Trading, Host Committee Chair and Vice Pres of the Lions Pin Trading Club of Wisconsin, I want to welcome all Lions Pin Traders to Milwaukee.

Yours in Lionism & Pin Trading,

Lion Rich Koch
