Early Issue

The date of this pin is unknown. It does not show Bermuda on the pin at all. Bermuda, Dist K became part of MD 20 in Lions year 1968-69/ The first New York pin to show Bermuda was the pin issued for 1970-71. Bermuda was not shown on their pins again until 1981 and has been on all their pins issued since then. This pin has a safety pin back. No other pin issued since their 1962 and 1965 pins had that kind of back. It was probably made in the late fifties.

The above two examples of the backs of the 1964 Charm showing that the loop is on the back of the pin rather than the top. There is no evidence of a solder so it is assumed that this was created by the factory.
