

PACIFIC NORTHWEST TERRITORIES

PACIFIC NORTHWEST TERRITORIES. As you can see, the Lions trading pins were issued briefly under this heading between 1952 and 1958. Lions in Canada from British Columbia and Alberta, and in the United States from Washington State, Montana, Oregon, and Idaho were involved. Although no pins have been issued using this title since 1958, the pins that were issued remain among the most collectible in the pin trading community.
