Royal Canadian Mounted Police

National Police Service

The Royal Canadian Mounted Police is the federal and national police service of Canada. The RCMP provides law enforcement at the federal level. It also provides provincial policing in eight of Canada's provinces and local policing on contract basis in the three territories and more than 150 municipalities, 600 aboriginal communities, and three international airports. The RCMP does not provide active provincial or municipal policing in Ontario or Quebec. However, all members of the RCMP have jurisdiction as a peace officer in all parts of Canada, including Ontario and Quebec.

The pins in this catalog have been listed as they have been scanned and therefore are not necessarily broken down by district. As new pins are received, they will be listed on new pages and the serial numbers for the pins will be sequential. This will make future updates a lot easier to handle.
