Fellow Traders,

I wish to start with a sincere thank you to the Pin Traders Club of Pennsylvania for hosting an outstanding swap, and for allowing LITPC to hold our Board meeting

there.

After a fairly quiet winter, pin trading activities have certainly picked up. I hope you were able to attend one of the earlier swaps, Pennsylvania, or some of the upcoming events. I want particularly invite you to the Annual Swap and Meeting in Asheville in June. Lions Randy and Pat Hall and PCC Chet Kramer have lots of plans to make this especially enjoyable. There is a lot more information about this later in this newsletter.

It is not too late to qualify for the special Membership Medallion for sponsoring new members. The last of these will be awarded at the Annual meeting. Be sure Secretary PDG Richard Durham has your latest information on those you have sponsored.

We covered a number of items at the Board Meeting in PA. Most of these will be addressed in articles in this newsletter, including updates and changes to our William Smith Scholarship program, Annual Pin Contest, and upcoming pins. Also, there is a report from our Nominations Committee on candidates for officers for 2025-26.

Lion PDG Rich Evans always does a great job with The Trading Post. Relax and have a good read!

Hope to see many of you soon.

Sincerely, Gene English, PDG  
LITPC President
