1962 Remake

The 1960 and 1962 pins were remade in the mid 1970's using the exact same dies that were used on the original pins. The original pins has the safety pin reverse and the remakes has the clutch back. The originals are more difficult to find.

These cuff links are rare. They were made for the sitting Governors in 1972. A Lion in Virginia who served as District Governor in 1958 -59 was a representative of Balfour Jewelry Co in Richmond, Va. This PDG was responsible for having the 1960 and 62 pins made. He was also responsible for the remakes. He had at least two sets of the 1962 pin made in 10K gold as well as at least two sets of the cuff links made in 10K gold

NOTE: The Copper pin and the four tie bars shown here are highly collectible MD-24 items. They were actually presented to Lions who achieved the standards for a 100% Secretary during the years indicated. The copper outline of the state in 1961 has been incorrectly identified in some catalogs as a Multiple District State issue.
